1. The Gross Glienicke (N 53/2 64) Panzer Kaserne is on Potsdamer Chaussee, about 1 1/2 km south of Seeburg (see Annex). Having a capacity of 1,500 to 1,800 troops, the barracks were occupied by 1,000 troops wearing red-bordered black epaulets with and without tank insignia.
2. Most of the soldiers in the large Kaserne building (see 1 on Annex) had close-cropped hair.
3. A T34/85 tank, guarded by a soldier, was parked in front of the garage in the NE section of the barracks.
4. Twenty soldiers wearing red-bordered black epaulets held aiming exercises with an AT gun (about 100 mm caliber, muzzle brake, wheels with pneumatic tires, upper recoil cylinder about 1 meter long, lower about 0.8 meter) west of the Gross Glienicke-Seeburg road. Eight to ten trucks, ☐ were seen in the barracks yard.

☐ Comment:

Component units of the 10th Gds Tank Div, presumably one regiment, are believed to be stationed in the Panzer Kaserne north of Gross Glienicke.

1 Annex: Panzer Kaserne near Gross Glienicke
